“Training Youth for Leadership Tomorrow” Club Coordinator’s Planning and Student Selection Guide

The RYLA program began in Australia in 1959. Each year thousands of young people across the world are selected to attend Rotary-sponsored leadership camps or seminars. These RYLA programs offer challenging discussions, inspirational addresses, leadership training and social activities designed to enhance personal development and good citizenship.

This District-wide RYLA program requires coordination at all levels of District leadership, as well as the leadership of the participating Rotary clubs. Both the district and the local Rotary club must work together in order to provide a meaningful program for the participants.

Your role as RYLA COORDINATOR is to act as the central point of communication and coordination, and to ensure timely action by your Club in support of the RYLA program.

There are at least four distinct parties which require your attention and coordination skills, they include:

- 1. Your Club Leadership.** You will need to work with your club leadership to determine the number of participants your Club’s budget will accommodate. Determine the degree to which the Club Board/Officers may wish to oversee the participant selection process. Ensure that registration forms are completed and that associated fees are paid in a timely manner. Arrange for transporting the selected student participants to and from RYLA. **Students are not allowed to drive to RYLA themselves.**
- 2. Your local High School(s).** You will need to develop a working relationship with the appropriate High School Counselors in order to identify the best candidates for your Club to sponsor. The Counselors need to fully understand the selection criteria and be given maximum lead-time to ensure a smooth and timely selection process. School counselors know the best candidates to participate in RYLA. **A personal one-on-one meeting with the school counselors is critical. RYLA participants do NOT need to be Interact Club members.**
- 3. The District RYLA Committee.** A District Committee member, who will serve as your contact to the Committee, will contact you (assuming your Club has submitted their RYLA Acknowledgement Form telling us who you are and how to contact you). The Committee member’s role is to assist your planning should you have questions or concerns. **Your biggest challenge** in dealing with the Committee is ensuring complete and timely submission of **ALL** your participant registration forms and payment.
- 4. The Participants.** Your direct communication and coordination with the selected students **is your most important responsibility.** You **MUST** include your name, email and phone number in the spaces provided on the “Dear Student” invitational letter. **The student and his or her family must know who you are, how to contact you, and be made to feel comfortable about the participation of their student.** They should understand the nature of the RYLA program and that your Rotary Club is sponsoring them. They should also be made to feel honored to have been selected. You should arrange and communicate the transportation details as well as providing details regarding your Club’s recognition program following RYLA. The person responsible for the student transportation **should stay at camp Nakanawa for the entire program.** If the Rotarian cannot stay on site for the entire day, the RYLA Committee **MUST** be furnished with the Rotarian driver’s contact number, or the information of

another Rotarian sharing the transportation responsibility. Parents and Rotarians may view Adventureworks activities, but *may not* participate in them.

Selection Criteria: There is no limit to the number of participants your Club may sponsor, but no more than 6 students per *High School* are recommended. The maximum number of RYLA program participants is 180. RYLA participants should be high school juniors (Fall 2024) who have demonstrated leadership potential and natural leadership abilities. Their leadership skill should have manifested itself in a variety of venues – school academics, athletics, clubs, community service, church, etc. All high school juniors (Fall 2024) are eligible. **Selected students may be members of the high school Interact Club, but they do NOT have to be.** If your Club is sponsoring two or more participants, then it is desirable that **different sexes and a variety of backgrounds** be included.

Selection Process: If possible, it is best to begin the process of identifying your projected RYLA participants in May just prior to the summer break. This is because in the fall, as school is starting, the high school counselors are likely to be extremely busy and perhaps do not yet know the students who meet the selection criteria. Meeting with the high school counselors in the spring is the most practical way to start the process. Discuss with the counselors the nature, purpose, and selection criteria of RYLA. Then provide the counselors with several copies of the student invitation letter, and ask that they distribute them to potential candidates. It is best to provide several more letters than you anticipate sponsoring, as not all invited students will be able to attend.

Be sure you have provided your Club name, as well as your name, email and phone number in the spaces provided on the student invitation letters, as it is critical that the invited students contact you. ***This is important because for security/privacy reasons most schools cannot release student contact information directly to you. The student must make the first contact with you.*** Ask the counselor(s) to give the student invitation letter to students they believe meet your club's RYLA selection criteria, and to advise the students to make contact with you via phone or e-mail.

Once the potential candidates make contact with you,

1. Determine their interest in participating in the upcoming RYLA
2. Get their contact information (name, address, phone number, and e-mail address) and,
3. Send them a REGISTRATION PACKET with the necessary registration forms (*Student Registration Form, RYLA Rules and Guidelines, and Student Waiver*).

Since it may still be a few months prior to RYLA you may want to keep this contact informal, but with an agreement that you will get back to them with more details and the required registration forms in late summer or early fall. As RYLA approaches, reach back out to students to confirm their attendance.

All the necessary documents and forms for RYLA are available for download at
<http://www.rotarydistrict6780.com/RYLA.php>

Should it become necessary to start the selection process as school starts in the fall, the above steps should be the same; but on a more compressed timeline. It is not recommended that you completely turn over the selection and registration process to the school. You and your Club should be actively involved in the selection process.

You must talk with each student and **have all their paperwork sent to you** for review, approval and submission to the RYLA Committee. This is a Rotary program, NOT a school program! Our Rotary priorities and timelines are NOT the schools' priorities and timelines.

Timeline: The following dates are critical milestones in the **RYLA** planning process:

- April RYLA issues materials to Clubs
- April-May Club RYLA Chair meets with high school to identify potential participants
- By May 31 Club returns **Club Acknowledgement & Commitment Form & Payment**
- July 1 Invoice sent to Clubs who have not sent in payment
- August 31 Last day to receive payment at the regular rate
- September 1 Late payment rate goes into effect
- September 11 **Registration ends. All registration forms and fees are due**
- **September 21, 2024 RYLA at Camp Nakanawa**, 1084 Camp Nakanawa Road, Crossville TN
- October RYLA Certificates for each student will be e-mailed to club presidents
- Oct/Nov RYLA Recognition Certificates presented to students at a Club meeting

Note: Registrations and payment must be received prior to September 1 to avoid late registration rate

Administrative Process: You may use a school to administer the student registration process, or the RYLA chairperson may administer the registration process themselves. The three (3) registration forms (**Student Registration / Student Rules and Guidelines / Student Waiver**) must be sent to the student, and then received, reviewed, approved, and mailed to RYLA by your Club along with the appropriate payment.

When you receive the completed forms, **ensure they are signed by the student, parents, and your club president!** Complete the **Sponsoring Club/RYLA Student Registration Submission Form** and send it with the three registration forms (described above) for each of your participants.

Please include a single check as payment (**\$150 per student, or \$175 per student if club submission form is not received by September 1st**) for the group. If you have students that have not returned their paperwork, but they plan to attend, include the payment for their spots in your check. **Student's late paperwork must be received by September 11th.** Tardy registrations should be sent individually via email as soon as possible to RYLA6780TN@gmail.com

Club Responsibilities: Your Club is responsible for:

1. Selecting the students they sponsor.
2. Ensuring the students fully understand the goals, objectives, and rules of RYLA
3. Submitting the completed registration forms in a timely manner
4. Paying the fees associated with sponsoring students
5. Providing Rotary - supervised transportation to and from RYLA. **Do not permit students to self-drive to RYLA!**
6. Presenting RYLA Recognition Certificates at a club meeting to the students your Club sponsored. Certificates will be emailed to the Club contact. You will print the certificates. Some clubs choose to buy inexpensive frames and present framed certificates to students.

**** NOTE **** Don't forget to complete your portion of the Student Invitation letter and the Student Registration form or the students will not know how to return their documents to you!
